EDUCATION

Full Stack Web Development Master
The Bridge | Digital Accelerator

06/2020 - 01/2020   *Madrid, Spain*
Classes
- Designed and developed 5 applications using technologies such as Java Script, Node.js, HTML/CSS, React, MongoDb, SQL Express and Firebase.
- Collaborated with Data Scientists and UX/UI to construct a work productivity application designed for employees working remotely.

Master International Business
EAE Business School

09/2017 - 06/2018

WORK EXPERIENCE

Online English Instructor
GoGo Kid

08/2018 - 02 / 2020   *Remote - Madrid*
Collaborated with an online education platform serving learners seeking to practice English via E-Learning.
Achievements/Tasks
- Directing classes focused on grammar, pronunciation and conversation flow with Chinese students ages 3-15.
- Evaluated the progress of the learners and provided routine feedback dossiers to the parents.

Business Development Analyst
EscapeGamePass

08/2018 - 03/2019   *Madrid*
Established an approach to stimulate organic growth within an emerging enterprise area for Swiss Startups.
Achievements/Tasks
- Created a community among unaffiliated escape rooms via cluster branding, increasing visibility, and nurturing camaraderie among participants in an emerging hobby.
- Generated market focused research to improve public relations and customer service.
- Analyzed personas of hobbyists' and franchise managers and to marketing and outreach.
- Built lasting relationships with online platforms such as Fever and City Life Madrid where Escape Rooms and other authentic local experiences are purchased by consumers.
